

Dear Parents and Families,

Welcome back!! We never imagined a year would start out the way it did. We have been missing you all and thinking about you throughout these weeks apart. These few weeks have been a challenge for us all, but we are so glad that we will soon be able to see you all again!

This summer will not be “normal” by any means but our commitment to you and your families is unwavering. Our staff has been closely monitoring the COVID-19 (Coronavirus) pandemic and we have been working to ensure the safety and security of your child upon reopening. There will be some changes to our summer protocol and the way camp will run and will look a bit different this year.

Effective June 8, 2020 and for the foreseeable future, we will be taking extra precautions to keep the Coronavirus at bay. We are taking these extra steps to support the health and safety of your children, families, and our staff.

Please take the time to read over the changes to our policies and procedures:

Enrolling Your Child

- Everyone will enroll on the waitlist. We will notify parents by email if your child gets in and you will be expected to pay within 48 hours or the spot will be given to another camper.
- In effort to follow all public health rules and regulations, as well as to keep all campers and staff safe, we are requiring children be signed up for one week at a time. We are trying to keep the same children together in hopes to decrease risk.
- Camp hours will be reduced by one hour in order to give our staff the time to thoroughly clean and disinfect. We will provide care from **8:00am-5:00pm**.
- Please make sure all your emergency information is updated in Epact. If you need assistance, please let us know.

Drop off and Pick-Up: ONLY STAFF AND CHILDREN will be allowed in the building.

Drop-off:

- Drop-off will occur from 8:00am-9:00am **ONLY**.
- Parents will drop campers off at the back gate of the elementary school. The gate is located on Maroon Creek Rd. by the AES playground.
- Upon arrival, parents will call camp phone 970-429-3676, please wait with your child in your car until you are greeted by a camp counselor.
- Parents/guardians will verbally sign-in their children using their unique code. Codes will be given to families before the first day of camp.
- Once the counselor greets parents and campers, they will do visual inspection of the child for signs of illness, which could include flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity), fatigue, or extreme fussiness. Parents will be asked if the child has shown any signs of illness or been exposed to those with illness.
- Temperature will be taken using a non-contact thermometer and recorded on the health assessment log that is kept in a file on site.

- Persons who have a fever of 100.40 (38.00C) or above or other signs of illness such as excessive cough, sore throat, or shortness of breath will not be admitted to the facility. We are encouraging parents and staff to be on the alert for signs of illness in children that are enrolled and please keep your child home when they are sick.
- Once children and staff have entered the facility, they will perform hand hygiene: Hand washing will be with soap and water for 20 seconds.
- **All children MUST be dropped off by 9:00am. This is to help ensure that all safety protocol is adhered to.**

Pick-up:

- Pick-up will occur from 4:00pm-5:00pm ONLY.
- Parents will pick up campers at the back gate of the elementary school. The gate is located on Maroon Creek Rd. by the AES playground.
- Upon arrival, parents will call camp phone 970-429-3676, please wait in your car until a counselor walks your child out.
- Parents/guardians will verbally sign-out their children using their unique code. Codes will be given to families before the first day of camp.
- **Children MUST be picked up by 5:00pm.**
- If you are late in picking up your child, you will be charged a fee of \$10.00 cash for every five minutes you are late due at the time you pick up your child.

Daily Requirements

- Each child should bring the following **EVERYDAY**:
 - A facemask, which must be worn while at camp. We ask that you send two with your child so if one gets dirty, they have an extra. Please place the extra mask in a ziplock bag to keep clean with an additional ziplock bag for mask to be kept in while child is eating. Additional info. can be found here: <https://covid19.colorado.gov/mask-guidance>
 - His/her day pack, which will be placed in a designated laundry basket to keep items contained for each individual child
 - A full water bottle with the child's name printed on it. Drinking fountain will not be used. Touchless water bottle filling will be available.
 - Lunch w/ utensils (we cannot heat food) and a minimum of two snacks. ****We will not be able to hand out snacks to campers so we recommend packing extra snacks each day.****
 - Proper clothing for all types of weather as we will still be going outside throughout the day. (i.e. sun hat, raincoat, light jacket, etc.)
 - Sunscreen for self-application. We recommend applying sunscreen before the child arrives at camp, but they may bring their own for reapplication if you wish for them to do so.
- If your child shows signs of illness at any point during the day, we will isolate them from other child, and you will be required to pick up your child within 30 mins of the call.
 - If a child or staff become ill with a confirmed case of COVID-19 while in attendance at camp, Camp director will contact Nurse Consultant and Pitkin County Health Department for further instructions and all families will be notified of exposure. The facility will

follow the guidance of the Pitkin County Health as to the amount of time we will be required to close and the disinfecting of facility.

- Please DO NOT ALLOW your children to bring personal items such as toys, electronic devices, cell phones & etc. from home to camp. They may get lost or broken & are disruptive.
- Appropriate footwear is a must. HEELYS, CROCS, FLIP FLOPS, AND SANDALS DO NOT WORK! We will be walking, hiking, and playing outside. Please make sure that you have well-fitting comfortable shoes when they come to camp. This is for the safety of your child.

Cleaning and Disinfecting

We are taking every precaution to ensure cleanliness and safety for your child. We will be adhering to the following cleaning and disinfecting procedures:

- Staff will routinely clean, sanitize, and disinfect surfaces and objects that are frequently touched, especially toys and games, tables, and equipment.
- Each night a deep cleaning will take place of the facility.
- Staff will work with children to:
 - Cough or sneeze into their sleeved arm or cover their nose and mouth with a tissue. Throw away the tissue after they use it and wash hands.
 - Avoid touching their eyes, nose, or mouth.
 - Wash their hands frequently and for at least 20 seconds with soap and water, especially after they cough or sneeze; an alcohol-based hand rub can be used if soap and water are not nearby.
 - Avoid sharing cups and eating utensils with others
- Handwashing: We will be following all CDC recommend protocol. All children and staff will engage in hand hygiene at the following times:
 - Arrival to the facility and after breaks
 - Before and after preparing food or drinks
 - Before and after eating or handling food
 - After using the bathroom
 - After playing outdoors
 - Before transitioning to a new activity
 - Developmental posters describing handwashing steps will be placed near sinks.
 - Proper handwashing will be with soap and water for at least 20 seconds. If hands are not visibly dirty, alcohol-based hand sanitizers with at least 60% alcohol can be used if soap and water are not readily available. Children will be closely supervised when they use hand sanitizer to prevent ingestion.

Social Distancing Protocol

- Group Size
 - CDPHE - groups of up to 10 children may be supervised by 2 staff.
 - In Phase 1 of opening we will only have 10 children and 2 staff. Once staff is comfortable with procedures and staff is available, we will open more spots to accommodate more children, but will continue keeping the 10 to 2 ratios.
- We will be keeping each group of children in a separate area from each other.
- Each child will have a laundry basket that they will keep their belongings in.

- Children will stay in the same group together and have the same staff member each day. Parents would have to commit to weeklong camp and no drop ins would be allowed.
- To limit the mixing of children, we will stagger playground/gym times and keeping groups separate for special activities.
- Activities would be spread out throughout facility to create social distancing.

Cancellation Policy

Since we will be moving to a weeklong camp vs single day registration, in order to receive a credits parents will need to send request to Julie Kline by the **WEDNESDAY of the week before the scheduled week by 5pm.** This is to insure we are able to get another family into the unused spot. In the case of a child showing signs of illness credit will be given with a Doctors Note. Requests should be e-mailed to Julie.kline@cityofaspen.com or by leaving a voicemail on (970) 319-4242. Please keep in mind, cancelling in this manner will help us keep your children safe and happy.

Thank you for taking the time to read these important camp rules! We want your child to have a fun summer but also a very safe summer!

Please contact me with any questions, comments or concerns!

Julie Kline
