

9/26/20

Dear Patrons,

We hope this email finds you well. The Staff of the Aspen Recreation Department has been working hard on developing a reopening plan for the Recreation Centers that follows best practice COVID-19 safety measures and protocols. Our already high standards of cleanliness have been raised to new levels to keep the community and our staff safe. That said, we are excited to announce a soft reopening on October 5th of the Aspen Recreation Center and the Red Brick Recreation Center. The select activities offered will require advanced registration; no drop-ins will be allowed. This will allow us to clean all areas in between reservations.

Membership Information:

- All memberships that were paused on March 13th will be reactivated on October 5th. For example, if you had 3 months left on your membership on March 13th, your pass will be extended to January 5th, 2021.
- COVID-19 punch passes are valid until 12/31/2020.
- 20-Punch Passes are available for purchase. Annual and 6-month passes are not available for purchase at this time.
- No daily admissions available at this time.
