

Text Update Program

The goal is to reinstate the EZ-Texting alert program for the Aspen Recreation Department. Text message content would depend on the list the patron signs-up for.

Categories to choose from:

ASPEN REC	Recreation news, facilities updates, and more
ASPEN ADULT	Adult programming information, cancelations & updates
ASPEN YOUTH	Youth Programming information and updates
ASPEN PICKLE	Pickleball news, clinics and updates
ASPEN FITNESS	Class updates, cancellations, time changes and more, including aquatics.

Current programs:

ASPEN HOCKEY	Hockey updates
ASPEN GOLF	Golf updates, course maintenance and more.

How to use it:

1. Send a text list name: Aspen Rec to phone number 313131
2. You must sign-up for each list individually
3. The patron will receive a text back confirming the list they signed up for and instructions on how to opt-out
4. To opt-out from a list: Reply to one of the text messages "STOP Aspen" or text number 313131 with the message "STOP ASPEN"
5. Please note: 313131 is a universal number for text services so unless you write Stop Aspen you can be unsubscribing to multiple lists
6. Appropriate Staff Member will be in charge of texting updates, i.e. Jim for Golf – request Username and password from Toni Case.
7. Cory will pay \$25 / Month, plus \$.05 / text. Golf will buy credits to fund their text messages. We can explore other payment plans if this is successful.
